

Sensors::updatePressureSens

```
graph LR; A[Sensors::updatePressureSens] --> B[DashBoard::setambipress]
```

A diagram showing a call from the Sensors module to the DashBoard module. The call is represented by a blue arrow pointing from the Sensors module to the DashBoard module. The Sensors module is represented by a gray box with a black border, and the DashBoard module is represented by a white box with a black border.

DashBoard::setambipress
